

## OHIO VALLEY CENTURY PATCH FORM

The Ohio Valley Century Patch was designed in 2013 to help promote Samboree attendance within our Region. You must attend 10 Samborees or *The Regional Rally's*. At least 3 Samborees must be in different Ohio Valley States.

*Those States are: ILLINOIS-INDIANA-KENTUCKY  
MICHIGAN-OHIO*

When 10 Samborees have been recorded and verified (by obtaining the appropriate signatures below) you are entitled to purchase a Ohio Valley Century Patch. You must present this completed, and signed form to the State store in order to purchase your patch. The State Director will then present you with your Patch.

Once the Ohio Valley Patch has been earned, subsequent Flower Patches (shown here) can be earned. A State Flower Patch will be earned for each additional 10 Samborees attended (same rules as above). Many people arrange to have their Flower Patch's Earned in a specific State.
